More About Events

Set your next meeting or event apart from the mundane. As Seattle's oldest boutique hotel, Hotel Sorrento's history and architecture offer unique spaces that are more city chateau than generic commercial space. Our main floor spaces are ideal for small meetings and corporate events. The Penthouse is a top-floor retreat with stylish

furniture, a rooftop deck and a dramatic view of the city.

With over 100 years of experience creating lasting memories for our guests, we take great pride in being Seattle's original hub of hospitality. Located in one of Seattle's oldest neighborhoods, we're adjacent

to the bustling downtown, blocks from the Washington State Convention Center and within walking distance to three top hospitals and Seattle University. We can accommodate up to 140 guests and offer on-site catering and service staff. Let us help you plan your next meeting or event.
